

Hard coughs are bad enough, to be sure. But it's often the little, hacking, tickling, persistent cough that means the most, especially when there is a Listory of weak lungs in the family. What should be done? Ask your doctor. He knows. Ask him about the formula on the label of every bottle of Ayer's Cherry Pectoral. Ask him if this medicine has his full approval for throat and lung troubles. Then do as he says.

#### MARK WAS RIGHT.

Mark Twain was visiting H. H. Rogers, who, leading the humorist to his, library, said, as he pointed to a bust of white marble, " What do you think of that?"

It was the bust of a young woman he said:

"'It isn't true to nature."
"'Why not?" Mr. Rogers asked.

Itching, Scaling Scalp Humor was Making It All Fall Out—Two Doctors Could Not Stop the Trouble -Niece Advised Using Cuticura.

"My mother used to have a very bad humor on her head which the doctors called an eczema, and for it I had two different doctors. Her head was very sore and her hair nearly all fell out in spite of what they both did. One day her niece came in to see her and they were speaking of how her hair was falling out and the doctors did it no good. She savs, 'Aunt, why don't you try Cuticura Scap and Cuticura Ointment?'
